Department of Computer Science
College of Science of Health
William Paterson University

CS 215 PROFICIENCY EXAMINATION
Application Form

1. To be completed by applicant

   a. Name: ______________________________________

   b. Student ID number: ___________________________

   c. Major: ______________________________________

   d. Exam date: _________________________________

2. To be completed by examining department

   a. Concept score: ______________________________

   b. Hands-on score: _____________________________

   c. Total score: _____________ Please circle: Pass / Fail

NOTE: The result (either pass or fail) of your exam will be sent to your major department. The passing of this proficiency exam will exempt you from taking CS 215 (Computer and Information Technology for Educators) for your major but you will not get any credit. You can take this exam twice and if you failed both times, you must take the CS 215 course. Please see your advisor for course advisement.
