Dr. Cyril S. Ku received the B. S. degree in Computer Science from Utah State University, Logan, Utah, USA, in 1980, the M. S. degree in Computer Science and Applications from Virginia Polytechnic Institute and State University, Blacksburg, Virginia, USA, in 1982, and the Ph. D. degree in Computer Science from Northwestern University, Evanston, Illinois, USA, in 1989.

Dr. Ku has extensive practical experience in software engineering. From 1982 to 1985, he was a Software Engineer in the field of traffic and transportation engineering. He conducted application research in software engineering and databases as Member of Technical Staff and as Systems Analyst at Bell Communications Research (Bellcore, now Telcordia Technologies, 1989-1996), as Senior Technical Staff Member at AT&T (1996-2000), and as Senior Information Technology Specialist at IBM (2000-2002).

He is currently the Chairperson of the Computer Science Department at William Paterson University. He has been an Assistant Professor at William Paterson University, Wayne, New Jersey, USA, since 2002. His research interests include software engineering, databases and data warehouses, and automated reasoning and theorem proving. He is a member of ACM (Association for Computing Machinery) and IEEE (Institute of Electrical and Electronics Engineers) Computer Society.
